**ADVERTISEMENT**

**Punjabi University Patiala**

**Department of Zoology and Environmental Sciences**

**Department of Science and Technology (DST) sanctioned Research Project on**

**"Molecular Phylogeny and Phylogeography of Ant Genus *Camponotus***

**(Hymenoptera:Formicidae) from India"**

**Junior Research Fellow\*(JRF): (1-leading to Ph.D.)**

**Fellowship:** 25,000/p.m.+HRA for the first two years and 28,000/pm + HRA for the third year for NET qualified candidates.

**Eligibility:** M.Sc. Zoology with at least 55% marks

**Desirable:** Knowledge about insect/ant systematics, molecular phylogenetics and competence to undertake field surveys to different parts of the country

The applications with complete bio-data should reach Dr. Himender Bharti, Principal Investigator, DST Project, Department of Zoology and Environmental Sciences, Punjabi University, Patiala-147002 by 3rd of June, 2019 by email ([himenderbharti@gmail.com](mailto:himenderbharti@gmail.com)).

Date of interview will be notified through email/telephonically and no TA/DA will be paid for the interview.

\* In case of non-availability of JRF, project/research fellow shall be inducted with emoluments of 21,700/p.m.+HRA for the first two years and 24,800/p.m.+HRA for the third year for Non-NET candidates.
