If you want us to conduct this program in your college, we would be requiring one dedicated SAP Head who will be taking care of all enrollments, monitoring, mentoring and motivating the students within the Campus. There are many benefits that are associated with the position of SAP Head. Please let us know to whom you want to designate the same.

Help students to beat this **#COVID-19** Situation by enrolling in Work from home internship/ ambassadorship program and earn handsome benefits as above and make a brighter career ahead.
